Re: Julie and Jerome Eckstein

To whom it may concern:

I have been working with Jerome and Julie for the last year. I have been leasing space from the Eckstein's for my company; the office is in the tower of their carwash. I have been in the office many "off-hours," because of the nature of our business. (We transport party-goers to and from their homes.)

Julie and Jerome have always been very courteous and very professional. I have never seen any suspicious activity nor would I suspect Julie or Jerome to be dealing drugs or be involved in any suspicious criminal activity. Julie is too vested in her family to risk the wellbeing of her children. I wouldn't suspect Jerome either, his reputation as a businessman is exceptional around town. Jerome has been very courteous to me and our relationship goes beyond just a lease agreement. Jerome has introduced me to other hardworking business owners, and I have never heard a negative or questionable statement concerning Jerome.

Being that I'm in the office at evening hours as well as during the day, I have had the opportunity to see any suspicious activity that could be going on during the day or late night time hours...And I have yet to see anything.

Please feel free to contact me if you have any questions or concerns. My personal cell phone number is (703)989-4643.
